Rotary Fellowships are designated as autonomous, international groups of Rotarians, Rotarian spouses, and Rotaractors who join together to share a common interest in worthwhile recreational activities (sports, hobbies, etc.) Further their vocational development through acquaintance with others of the same profession. Make new friends around the world. Explore new opportunities for service. Have fun and enhance their Rotary experience. There are nearly 70 formal Rotary Fellowships catering for interests from Chess to Cricket and Stamps to Skiing. I note there is even a Fellowship for Past District Governors (and friends)! Alphabetically it sits next to the Fellowship for Old and Rare Books and maybe that is not a random or unintended connection

President David's Message

I would like to thank the Club for the opportunity to serve as President in the 2021-2022 Rotary year.

It has been a year of challenges for all of us

Personally, I would like to thank Jan for her ongoing support to the Club and myself throughout this year.

And special thank you to Past President Eric and Marina for their assistance in the Secretarial role ensuring the Club ran smoothly,
Past President Geoff Magor and Jeanette for balancing the Clubs Finances
Past President David Hanlon and Beverley for keeping me in line and informed on all things Rotary.

Past president Linda Tinney for the weekly production of the Rotary Ho. I can only urge all members to provide suitable Rotary articles on to the Ho Editor on a regular basis to help the editor produce an informative bulletin each week.

The passing of Past President Glenn Ellam saddened the family of Rotary and all those who knew him.

Some significant areas of the Club successes through the year, I wish to highlight are:

- During the lock down using technology to keep Members in contact
- The facilitating of a successful International Women's Day breakfast
- The completion of the Patio and Garden at Abbeyfield House
- The Foundation Movie night was a first at the Dromana Drive In
- Donation of an Infusion Chair to the Frankston Hospital

To achieve these successes there has been active participation by all Club members.

The Club has faced some challenging times due to the Pandemic and the need to find a new Venue forced by the closure of the Frankston International, resulting in a change of Meeting night from a Wednesday to a Monday at the new venue, Belvedere Bowls Club.

I must thank The Belvedere Bowls Club Committee in being willing partners with us in making the move mutually beneficial to both Clubs.

Highlights for me this year were the awarding of a Paul Harris Fellow to Ruth Brook and a 3rd Sapphire to Past President Geoff Magor.

The Induction of 3 members to the Rotary Club of Frankston North Kaye Aitchison as a new Member, Past District Governor Keith Hopkins from the Rotary Club of Kirriemuir in District 1010 Scotland and the re-induction of Past President David Brook.

One disappointment I have is that we have had to postpone time away to Lakes Entrance again to help with the Bushfire Relief and a Fellowship Weekend we hope to rectify this as soon possible.

Another couple of areas that we had to put on hold were

- Youth programs
- Fund Raising

Both these programs a fundamental to Rotary and what we do in the community

Regards
David

Secretary - Mail collected read passed on to appropriate person.

Round 16, we had 4 8's this week, they were Shawn Price (Truth Trip), David Loudon, Ronnie Cook and Eric Neill, Geoff Magor still in lead on 92 followed Jim Baker on 89 and three on 88 - Ian McConnell, Marina Neill and Shawn Price.

No tip 9 so it is worth \$65. Good luck tipping.

Bunnings BBQ on Sunday 10/7 Sheet is going around, please volunteer.

Youth Protection, again there are some outstanding members details, I have sent an email out with a sheet which indicates those who do not have a Working With Children's Card, those needing Form 3's and those needing a Statement of renewal form 4., I will be away for 3 weeks can I please have these completed by end of July when I get back.

Viv Ellam– Came on line via Zoom to express her thanks to the Club for their support prior to the passing of Past President Glenn and for their attendance on Friday 24th June to celebrate Glenn's Life

Past President John– Spoke about the redevelopment for the Rotunda at Ballam Park. The original Rotunda has been demolished and the concrete pad removed. There will be a sign attached to the new Rotunda outlining Frankston North's involvement at Ballam Park over the years and Rotary in general.

Peace Cranes for Ukraine

The 1945 atomic bombings of Hiroshima and Nagasaki brought an end to World War II, but the effects lingered on. Sadako Sasaki was a young Japanese girl who developed leukemia as a result of radiation exposure from the blasts. She began folding origami cranes because, according to legend, anyone who folds 1,000 cranes (senbazuru) may be granted wishes for health or good fortune. Sadako completed 1,300 cranes before succumbing to her illness at the age of 12

Sadako's story ignited a movement; in the decades since her death the origami crane has become an international symbol of peace, justice, hope, and commemoration. Millions of these cranes have been folded and displayed in peace projects around the world, often in the form of the 1,000 crane senbazuru.
