President Simon's Musings

Hello !

A shortish musing bulletin this week as our last meeting was by zoom, and although I think that zoom is an amazing tool (remember, it got us through COVID) but it's difficult to properly connect with our fellow Rotarians this way.

Lets all of us get behind Keith and the Dynamic Duo and round up as many as we can for the Trivia Night, the numbers at this stage don't look too bad at all but the target is 100 and this should be achievable.

John T. and myself did a maintenance cardboard removal at Local 2 Community during the week, there are some great plans in store for this very worthy charity, including modifying the 20 ft. container to make a type of recreational room, some paving and another cleanup to make a small garden area . We also need to organise a tip run as there is a fair bit of, shall we say, crap to get rid of, plus a heap of hand sanitiser which may be well beyond its use by date.

It would be great to get our sign out the front of the shop as their major sponsor.

See you all next week

Announcements

President Simon

Ian welcomed Club Members on Zoom, He thanked Kaye and her workers at the Bunnings bbq last Sunday.

Deputy Secretary David

So far we only have one nomination for the Nomination Committee to join the ex-officio members to nominate key office bearers to be elected for the next Rotary Year, at the upcoming AGM . We need more nominations to ensure we get a balanced committee to perform this important task..

PE Maree

These are the items needed for one trachoma bag. We are aiming to provide 30 trachoma bags so there a lot more supplies needed. We have had some generous donations of hair care products for the 30 bags, but need many other items to fill those bags. We will do a tally of the items still needed to fill those 30 bags and distribute that list to Club Members. We ask you to source those items needed, either by seeking donations from contacts you may have or by purchasing a few needed items each time you go supermarket shopping.

John Tame

The shelter for Ballam Park has been ordered and erection should commence in 4 – 5 weeks.

Frankston Council have advised they are waiting on information from Vic Roads to ascertain what help council can give to the banksia project without council being responsible for the permanent upkeep. Ross has ordered more plants from growers to be ready for the growing season in Autumn. In the meantime, he has purchased more plants which the club has paid for.

Maree Hutchins arranged for mulch and soil from Daisy Downs for the project, but soil is not required and Vic Roads are supplying mulch.

We have removed two lots of cardboard from Local 2 Community. John visited Tuesday to ascertain exactly what they needed for the Container renovation and other works for storage. David Cahill also visited to advise what was needed by them to make it ready for David to install the coffee machine.

On Wednesday John and Simon removed another load of cardboard to the tip.

Jan Cahill had made another 30 Beanies

Keith Hopkins

The recent Bunnings bbq was a great success thanks to Kaye and her team. We are planning another Bunning bbq at their Carrum Downs store on 10 Dec. Please support this event.

A Message from the DG

Rotary Relief -Victorian Floods

In recent days we have seen continual reports of terrible flooding in many parts of regional Victoria and metropolitan Melbourne. Many Rotarians in our District have family and friends badly affected by these floods.

As People of Action we are determined to do our part to help the victims and vulnerable people who have been impacted. We are also mindful that our support is best directed via our fabulous connections through Rotary Clubs and via Rotary Australia World Community Service (RAWCS).

I am very pleased to announce that having received a recommendation from the District Emergency Management committee, the D9820 Board has approved a payment of \$10,000 from the D9820 Disaster Relief Fund to be sent to the RAWCS Victorian Floods relief appeal.

These funds were previously collected from Clubs in our District specifically to direct to disaster relief. This is an appropriate and timely application of this money and I **thank you** for your past generosity to this Fund.

District Wide Appeal.

Many clubs in our District and individual Rotarians would like to assist and support flood affected communities. We have now established a District wide appeal, to which Clubs and individual Rotarians can contribute.

Please consider at both Club level and individually, if you would like to donate. The account details for donations are below. All funds collected will be directed to the RAWCS National appeal for victims of Victorian floods.
