President Maree's Message

VOL 51 Issue 38
Meeting Date: 08/05/2024

I understand that accepting changes can be challenging, but it is necessary for our club to thrive and make a positive impact in our community. It's important to remember that Rotary is not just a social club but a service club dedicated to making a difference in the lives of others.

While each of us may have different opinions, it is crucial that we respect and consider the decisions made for the longevity of our club. Ultimately, these decisions are based on what is best for the majority of our members and the overall success of our organization.

Let's continue to work together, support one another, and keep the mission of Rotary at the forefront of our minds as we navigate through changes and challenges. By staying united and focused on service, we can make a lasting impact in our community.

Thank you for your dedication to our club and for your willingness to embrace change for the greater good.

Maree

Announcements

President Maree

I am pleased to announce the Linda Tinney has been nominated as President Elect for the next Rotary Year.

We have managed to secure 20+ loaves of bread each week for the McClelland Breakfast Club program from Bakers Delight in Beach Street in Frankston. A certificate of Appreciation will be presented to Bakers Delight for this generous donation.

Our recent shoe fundraiser was very successful with 28 attending. Door entry raised \$560 and sales netted us \$480 in commission totaling \$973, after expenses, for 2 hours of fellowship. A few drinks and some food were enjoyed by all. Thanks to everyone who attended. One person has yet to pick up their shoes and we will be following them up.

As the school has missed the boat in a grant this year, I was hoping we could donate a \$200 Coles gift card to assist with the purchase of dairy goods etc for the Breakfast Club. Money from the shoe event could go to this as well as Foundation.

Please start gathering up your family and friends for our Movie Night **“One Life”**. Details are in the attached flyer.

Today marks our 51st Anniversary of the Chartering of our Club.

Secretary David

Linda Tinney

Linda expressed her thanks for being nominated for President Elect in the 2024-2025 Rotary Year. She asked for input from Club Members on the direction the Club should take and what they want from Rotary.

Keynote Speaker - **Secretary David Hanlon**

David Louden and David Hanlon have been working on a proposed template on aspects of our Club future direction. It contained several significant proposed changes on how our structure and procedures could be changed to be more in line with our long term goals.

This resulted in a lively discussion and resulted in a general consensus that we needed changes that could challenge our members to modernize our long-held views and expectations. In short, the template could take us out of our comfort zone as we try to modernize our Club.

There will be much discussion ahead, but the majority of members accepted that this is necessary to ensure the long term future of our Club.
