RI President's Theme:

It is pleasing to note that our second female Rotary International President, Stephanie A. Urchick, of the Rotary Club of McMurray, Pennsylvania, USA is known to Melbourne Rotarian from her visit to the Multi District Conference held in Melbourne around 5 years ago.

RI President Stephanie announced that the 2024-25 presidential theme is The Magic of Rotary and called on members to recognize and amplify the organization's power to save lives.

At the recent convention she stated that "We are not going to end polio or bring peace to the world by waving a wand. It's up to you. You create the magic with every project completed, every dollar donated, and every new member."

This message highlights the transformative nature of Rotary's work and the dedication of its members to create positive change in the world. It emphasizes the idea that by working together, Rotarians can perform "magic" in their communities, bringing hope and joy to those in need.

President Con's Message:

Welcome to the new era of our Club.

FNR has embarked on a new meeting format and we are confident that this will allow us to focus on service to our community both local and overseas. The first meeting on Wed 3 July will start the process of implementing our plans embrace the new Rotary Theme of "The magic of Rotary" and make our Club irresistible.

Over my 38 years in this Club I have witnessed quite a number of changes. Every change was met with scepticism by some and at times by myself. However, these changes have been accepted and we now all work together and did not stop us achieving our goals.

We have now come yet again to another change and again there is a degree of uncertainty and scepticism in the air. We should go ahead and try this new move and concentrate on the upcoming projects with the same enthusiasm and zeal as before.

If the move proves to be unsuccessful we can modify or even change it again.

So I urge all to continue with the same strength , vigour and vitality as before.

My best wishes for a successful year.
